

## Offer of Employment

### Training specialist (Telugu speaking)

Closing date: 1 November 2008

Starting date: As Soon As Possible

Duty station: New Delhi, India and regular travels to Andhra Pradesh

### **About us**

The *Micro Insurance Academy* (MIA) is a project of the Delhi-based charitable trust Sarvajan Unnati Bodhini (SUB) and is dedicated to evidence-based studies, training and advisory services for micro insurance units serving the poor.

Community-based micro insurance units represent the highest hope for the extension of insurance coverage among the uninsured poor. However, micro insurance schemes need help in customizing their insurance to the risks and conditions they face, at affordable premiums, through a process that they trust. The MIA offers innovative, context-specific solutions to those needs, delivered through its network of affiliated training institutes.

The *Micro Insurance Academy* develops and offers capacity building for successful implementation of micro insurance. The MIA focuses primarily on enabling local communities, i.e. the micro insurance clients themselves, to play an active and empowered role in their insurance. We also train micro insurance promoters at community, state and national level, as well as the staff of NGOs and donor agencies dealing with micro insurance.

### **About the job**

The Micro Insurance Academy seeks to enlarge its Research & Training Team and invites full applications for position as

#### Training Specialist.

### Job description

The incumbent will report to the Director (Research & Training), and will deal with matters related to the Academy's training activities, including:

- Contribute to development of training material on microinsurance
  - Participate in brain storming sessions
  - Draft lessons for training modules
